January 2010

Dear Sponsors:

Mississauga Croatia Soccer Club is a Canadian-Croatian community based, non-profit soccer club with a membership of approx. 450 players ranging from 3 years of age to 18. The soccer club is a member in good standing with the Peel Halton Soccer Association (PHSA) as well as the Ontario Soccer Association (OSA).

The club's primary goals are to promote and develop youth soccer within the community and to cultivate life long relationships among our players. This year we have the privilege of hosting the youth tournament for Croatian National Soccer Federation of Canada and U.S.A.

Increasing costs for field rentals and maintenance, uniforms, training equipment, tournament costs, etc. are making the sport a little more expensive each year. In order for our respective teams to be involved at both the house league and the competitive levels, sponsorship support is greatly appreciated in order to minimize individual fees for families.

We are currently starting the sponsorship drive for the 2010 season and we would appreciate your assistance. Many companies require a formal document in order to contribute. The club can provide statements for your donation. The following is an outline of the sponsorship possibilities.

House League

Team Sponsor - \$400

Includes: Company name/logo on front of one team's jerseys, name of company recognized on current year's sponsor list located on the club's website.

Select & Representative Teams

Associate Sponsor - \$500

Participant Sponsor - \$250

Includes: Company name recognized on current year's sponsor list located on the club's website.

Each sponsor will receive a commemorative plaque with a photo of the team that their donation supported. If you have any questions regarding your sponsorship you may contact the club via email or call me directly to discuss.

Thank you for you support!
